 - Many gyms open early in the morning.
 - Some sports require expensive equipment.
 - I usually feel sleepy after lunch.

SECTION II — Reading Comprehension 1 (8 marks)

Read the text, then choose the correct answer (1 mark each).

More people around the world are trying to live greener lives. In many cities, families now separate paper, glass, and plastic so these materials can be recycled. Schools also teach students how to save water and energy. Some students walk to school, use public transport, or switch off lights when they leave a room. These simple actions help protect the environment.

Greener neighborhoods are often cleaner and healthier places to live. When communities plant more trees, reduce waste, and keep streets clean, everyone benefits. People may enjoy fresher air, safer public spaces, and a stronger sense of responsibility for the future.

- What do many families separate so it can be recycled?
 - Food and clothes

- b) Paper, glass, and plastic
 - c) Books and desks
 - d) Trees and plants
2. What do schools teach students to save?
- a) Only money
 - b) Time and homework
 - c) Water and energy
 - d) Sports equipment
3. Which action helps the environment, according to the passage?
- a) Leaving lights on
 - b) Using more plastic
 - c) Switching off lights
 - d) Wasting water
4. The word “protect” is closest in meaning to:
- a) Damage
 - b) Keep safe
 - c) Sell
 - d) Ignore
5. What can greener neighborhoods have more of?
- a) Pollution
 - b) Cleaner streets and more trees
 - c) Traffic
 - d) Unhealthy habits
6. What is the main idea of the passage?
- a) Green habits can improve the environment and communities.
 - b) Recycling is too difficult.
 - c) Modern life should never change.
 - d) Students cannot help the planet.
7. According to the passage, how do some students travel to school in a greener way?
- a) By flying to school
 - b) By using a private car every day
 - c) By riding motorcycles
 - d) By walking or using public transport
8. According to the passage, what do people gain a stronger sense of?
- a) Responsibility for the future
 - b) Boredom with city life
 - c) A desire to use more plastic
 - d) A wish to leave the city

SECTION III — Reading Comprehension 2 (8 marks)

Read the text, then choose the correct answer (1 mark each).

A balanced life includes more than one good habit. First, people need a home where they feel safe and comfortable. Second, exercise helps the body stay strong, and many teenagers enjoy sports because they are fun and social. Laughter is also important because it can reduce stress and improve mood.

Food choices matter too. If people eat too much junk food, they may have health problems. However, nutritious meals give the body energy and help people study, work, and exercise well. When people combine a good home, exercise, laughter, and healthy food, they can build a stronger and happier life.

1. What does the passage say people need first?
- a) A good home
 - b) A TV show
 - c) A car
 - d) A phone
2. Why do many teenagers enjoy sports?
- a) Because they are expensive
 - b) Because they are fun and social

- c) Because they reduce sleep
 - d) Because they replace study
3. What can laughter do?
- a) Improve mood
 - b) Remove healthy food
 - c) Increase pollution
 - d) Build homes
4. What can happen if people eat too much junk food?
- a) They become stronger immediately
 - b) They may have health problems
 - c) They laugh more
 - d) They need less sleep
5. The word “combine” is closest in meaning to:
- a) Separate
 - b) Join together
 - c) Repeat
 - d) Avoid
6. What is the main idea of the passage?
- a) A balanced life depends on several healthy habits.
 - b) Homes are more important than food.
 - c) Sports are the only way to stay healthy.
 - d) Teenagers should avoid laughter.
7. What do nutritious meals give the body, according to the passage?
- a) Less sleep
 - b) More stress
 - c) Energy to study, work, and exercise well
 - d) Health problems
8. What happens when people combine a good home, exercise, laughter, and healthy food?
- a) They feel more tired every day
